

## ENGLISH

### Academics

As an English major, you will not only study literature, but also engage with history, popular culture, digital media, and film. You'll study genre and craft to write memoirs, essays, poems, stories, and scripts. You'll develop critical thinking and analytical skills by exploring and responding to classic and contemporary literature. Discover the ways that culture impacts your understanding of yourself, others, and the world so that you can effect social and political change.

Join one of the most eclectic and diverse English departments in the Big Ten where you can dive deep into a number of interdisciplinary areas like medieval and renaissance studies, ethnic studies or digital humanities as well as more traditional, nationally-focused areas of research like American literature or British literature.

### Opportunities

We encourage you to match intellectual interests with a meaningful career path. Career planning goes beyond individual course assignments and projects to include internships and other occupational experiences making your undergraduate experience enjoyable and you employable. Here are examples of recent graduates' employment:

- Academic Advisor & Internship Coordinator / **UNIVERSITY OF NEBRASKA-LINCOLN**
- Assistant Acquisitions Editor / **UNIVERSITY OF NEBRASKA PRESS**
- Community Organizer / **NEBRASKA APPLESEED**
- Creative Copy Writer / **NELNET**
- English Teacher / **EXETER-MILLIGAN PUBLIC SCHOOLS**
- Literary Agent / **VERVE TALENT & LITERARY AGENT**
- Litigation Legal Assistant / **DVORAK LAW**
- Programs Operation Specialist / **ARBOR DAY FOUNDATION**
- VISTA Program Coordinator / **AMERICORPS**

### Experience

In the College of Arts and Sciences, we know experience is valuable and goes beyond the classroom. We strive to help you connect your academics with research, internships, education abroad, service learning and leadership experiences. Take advantage of opportunities in English such as:

- Studying abroad at Oxford to learn about Shakespeare's Dramatic Arts
- Serving as an editor for *Laurus*, the student literary magazine
- Interning with HG Literary in New York City
- Researching Willa Cather in the Center for Digital Research in the Humanities
- Volunteering with Nebraska Writer's Collective
